Student Nurse Extern
UC San Diego Medical Center
200 West Arbor Drive
San Diego, CA

Dear Nurse Recruiter

I write to you in the application for the position of Nursing Externship at UC San Diego Health(UCSDH).

As a fourth-semester nursing student at Azusa Pacific University's Entry Level Masters in Nursing Program, I am enthusiastic and eager to prove myself and exceed expectations.

Throughout my experience as a certified nurse aid, emergency medical technician, and American Heart Association BLS, ACLS, and PALS instructor for over twenty years, as well as current education in nursing, I have developed a passion for patient care. I connect easily with people thanks to my interpersonal and social skills, which help me engage with people from all walks of life. I value learning, hard work, and cooperation with colleagues to enhance patients' lives and their families.

I am excited to bring my unique skills and ability to adapt to the new environment to work with the staff at UCSDH in the position of a Nursing Extern. I look forward to learning more about this position and am available for an interview at your earliest convenience.

Sincerely,
Ehsanullah Bagheri-Anderson
